RE: October 25, 2002 Data Requests; Docket 02-00207

Dear Mr. Werner:

Level 3 Communications, LLC ("Level 3") is in receipt of the October 25, 2002 letter from the Tennessee Regulatory Authority ("TRA") requesting certain information in the above docket. Level 3 does not provide dial-tone for local exchange services to either business or residential end-user customers in Tennessee. The only local exchange type service that Level 3 offers is one directional Direct Inward Dialing capability to its Internet Service Provider customers. Therefore, it does not appear that the questions set forth in the letter apply to the services that Level 3 offers. Should you have any questions or concerns with respect to this letter, please feel free to contact me directly.

Sincerely,

Greg L. Rogers
